Michael --

I hope this email finds you well, and that you and your loved ones are either vaccinated or on your way to being fully vaccinated. I look forward to when we can meet in person again soon!

[The DNC has launched an online survey](#) where you can provide your thoughts on the 2020 presidential primary.

As background, 2020 National Convention delegates overwhelmingly passed a [resolution](#) that called upon the DNC to protect and build upon the reforms to the presidential primary process -- reforms that many grassroots activists and DNC Members, including myself, had fought for in 2018. These reforms included encouraging states to move away from caucuses to primaries and amending the role of automatic delegates (also known as superdelegates) to the National Convention.

The resolution called upon the DNC to begin a structured and comprehensive review, informed by public comment, to evaluate where further reforms are needed.

[I encourage you to join me in providing comments](#) on how the Democratic Party can ensure more inclusive, transparent, and accessible primary elections. This is also an opportunity to evaluate the Democratic Party's voter protection, expansion, and education programs. Importantly, I hope you will share your thoughts about the role of automatic delegates (superdelegates) to the National Convention.

A quick scheduling note: the DNC's Executive Committee will be meeting virtually on Friday, April 30 at 11am PT. You are welcome to [watch this meeting on the DNC's YouTube channel](#).
