RESOLUTION TITLE (limited to 5 words): Oppose Physician-assisted Suicide

BE IT RESOLVED THAT: *(Please print or attach your resolution here. Be concise and use everyday language.)*

We oppose the legalization of physician-assisted suicide (also known as medical aid in dying) because we believe that it endangers the elderly, chronically ill, and vulnerable. It will exacerbate healthcare disparities. Increasing healthcare costs will further limit access to care and coerce people into choosing assisted suicide so to not be a burden on their families. And we oppose coercing healthcare practitioners into turning the medical profession from one of healing into one of killing. Protecting the choices of the few who want this will endanger the choices of everyone else.

You may add a brief explanation or your 2 or 3 strongest supportive points here.
