

# RESOLUTIONS FORM: February 3, 2026, Precinct Caucuses

## Steps to change the platform of the Republican Party of Minnesota:

1. Resolutions that are passed at the **Precinct Caucus** will be forwarded to the **2026 BPOU Convention**.
2. The **BPOU Convention** votes on these Resolutions, requiring a simple majority to pass.
3. Resolutions that are passed at the **BPOU Convention** are then to be forwarded to the **2026 Congressional District Convention** where they are voted on; a simple majority is required to pass.
4. Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2026 State Convention** where they are voted on, where once again a simple majority is required to pass.
5. Resolutions that are passed at the 2026 State Convention are incorporated into the **Standing Platform** of the **Republican Party of Minnesota**.

The Standing Platform of the Republican Party of Minnesota has **10 PLANKS**. Before writing your proposed Resolution, indicate to which PLANK your Resolution pertains (review the accompanying **Standing Platform** for current wording of the standing planks). If you feel your resolution does not fit a specific plank, check "OTHER":

- Promote Economic Prosperity
- Preserving Our Civil Rights
- Protect Our Health Care
- Educate Our Children
- Strengthen Our Families and Communities
- Protect Public Safety

- Strengthen the Rule of Law
- Enjoy and Protect Our Natural Resources
- Make Government Smaller and Better
- Defend America at Home and Abroad
- Commendatory
- Other

As soon as you have your resolution written, give it to the caucus secretary. A maximum 5-minute discussion, pro and con alternately, will follow. A vote will take place and if passed, this resolution will be forwarded to the BPOU Convention.

I move that this precinct caucus supports the following change to the above plank (1 of the 11 **must** be checked):

(you may attach an additional sheet if more space is needed)

The family is the cornerstone of society, and the well-being of a nation depends on the health of the natural family. Economic factors affect decisions to marry and form families. Therefore, the tax burden on families must be limited and home ownership must be in the reach of more people. We support policies that promote affordability, such as expanding the Minnesota child tax credit deeper into the middle class, as well as removing regulatory burdens that diminish the supply and increase the price of homes.
