

MOVE TO AMEND

Declare Independence from Corporate Control!

This July 4th, let's declare our freedom from corporate control. Corporations are influencing laws, elections, and policies, taking power from the people.

What We're Doing:

Move to Amend is working to pass the We the People Amendment to strip corporations of personhood and end corporate influence in politics.

Why It Matters:

- Corporate power is hurting people and communities.
- Corporate rule prevents true people power.

How You Can Help:

1. Spread the word: Share this flyer.
2. Start conversations: Talk to others about corporate influence.
3. Get involved: Visit www.MoveToAmend.org to take action. Sign up at www,MoveToAmend.org/Motion
