## ABOUT OPEN STREETS MINNEAPOLIS

---

Open Streets Minneapolis is part of a global movement to **make streets places that put people first**.

During these free, family-friendly events, local nonprofit [Our Streets Minneapolis](#) partners with the City of Minneapolis to temporarily close major thoroughfares to car traffic, opening them to people biking, walking, rolling, and connecting with neighbors and local businesses.

Open Streets Minneapolis events help us experience streets as public spaces where communities thrive. Congested city streets become vibrant, pedestrian-friendly boulevards where people can dream, play, and explore. Open Streets Minneapolis events aim to change how people think about their city streets.

At each Open Streets Minneapolis event, local businesses, artists, and community groups transform their streets with public art, dance performances, pop-up shops, games, activities, and more to showcase the diversity, creativity, and culture of Minneapolis.

## DATES AND DEADLINES

Registration for all events opens on **Monday, April 3, 2023**. [Click hyperlink to register.](#)

Open Streets Event & Route	Event Date	Food Vendor Deadline	Priority Registration Deadline	Final Registration Deadline
<a href="#">Open Streets East Lake</a> 2nd Ave S to 22nd Ave S	Sat, Jun 10	Fri, May 19	Wed, May 24	Fri, Jun 2

<a href="#">Open Streets Lyndale</a> W 22nd St to W 42nd St	Sun, Oct 8	Fri, Sep 15	Wed, Sep 20	Fri, Sep 29

## COVID-19 RESPONSE AND CANCELLATION POLICY

The health of our community is our top priority. Open Streets Minneapolis events will comply with guidance from public health experts and will be canceled if the available information suggests large gatherings pose a significant public health risk.

If an event must be canceled, we will announce the cancellation as soon as possible. Cancellation will be communicated with our partners and the public through our social media, website, and e-mail newsletter. If an event is canceled due to the ongoing pandemic, all registration fees will be refunded. See the section on [Inclement Weather](#) for additional cancellation policies.

## DREAM BIG: HOW TO PARTICIPATE AT OPEN STREETS MPLS

Anyone can sign up for a spot on the street to sell, promote, engage, entertain, or provide other family-friendly activities or programming! Participants in Open Streets Minneapolis might include:

- Local businesses
- Artists, zine creators, and crafters
- Community groups
- Advocacy organizations
- Live musicians
- Theatre makers
- Food vendors
- Interactive art creators
- Fitness instructors
- Health providers & healers
- Any Minneapolis group or individual with a story to share!

Be creative and think outside the box! All fun, engaging, and family-friendly activities are welcome. Have questions about an activity idea? Contact us at [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org) or 612-424-0485.

## PARTICIPANT CATEGORIES & FEES

---

Want to participate in Open Streets Minneapolis as a vendor, programmer, or performer? You'll need to know what category to register in! This section breaks down the Open Streets Minneapolis participation categories and their associated fees.

The fee tables on pages two and three have basic descriptions of the categories, and more detailed descriptions can be found in the second half of this document.

Have questions? Contact Ember at [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org)

### EVENTS & FEE DIFFERENCES

There are two different rates shown in the fee tables in this document. Our Streets Minneapolis makes every effort to make events as accessible as possible for all Minneapolis communities.

#### Standard Fee

Our Standard Fee applies to events that lie within one of four city-designated areas: (1) Green Zones, (2) Areas of Concentrated Poverty where 50% or more of residents are people of color (ACP50), (3) Promise Zone, and (4) Cultural Districts. This is the rate for the East Lake, Glenwood, Cedar, and West Broadway Open Streets events. Our 2023 Standard Fee rate is similar to the 2022 Green Zone Fee rate.

#### Lyndale Fee

This rate is only for the Open Streets Lyndale event. This rate is similar to 2022's standard fee.

#### Priority Registration

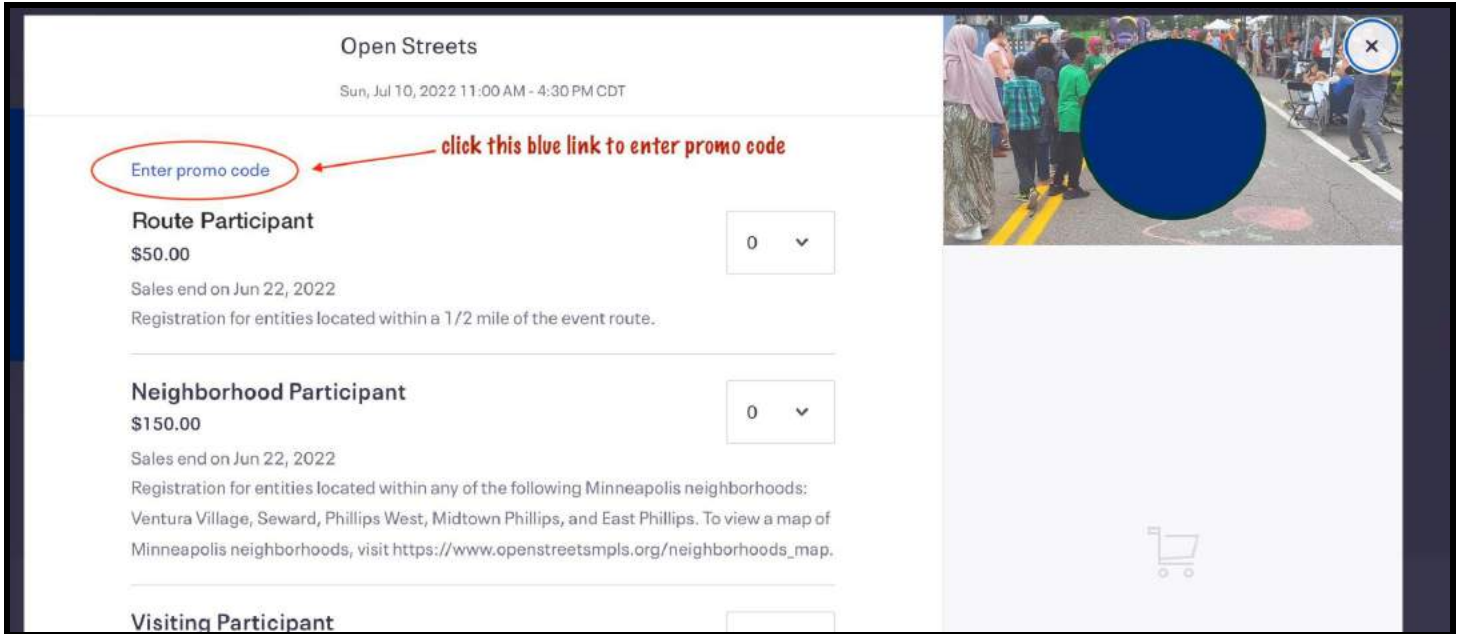

This year, we will be creating an Open Streets Passport for event attendees. This wayfinding guide for the events will incentivize attendees to visit more stops on the Open Streets event route. In order to be included in the passport, participants must register by the Priority Registration deadline.

In addition, Priority registrants will be assigned spots on the street before non-priority registrants. If a participant has specific spot location or space needs, they should be sure to register by the Priority Registration deadline.

## DISCOUNTS

After registering for one event, participants will receive a 15% off discount code that they may apply to their registration for any additional events in the 2023 Open Streets Minneapolis season.

To use a discount code, go to the eventbrite page for the event for which you want to register. Click the green Tickets button. In the pop-up order menu that appears, click the blue text near the top of the page that says "Enter promo code." See screenshot below.

## PARTICIPATION FEES

Participation Category	Short Description	Standard Fee	Lyndale Fee
<b>Performer or Programmer</b>	Groups or individuals who perform or provide free activities at the event.	FREE	FREE
<b>Makers Market Vendor</b>	Home-based crafters, artisans, and entrepreneurs from Minnesota.	\$15	\$30
<b>On-the-Route Participant</b>	Individuals, businesses, and organizations located on the event route.	\$25	\$50
<b>Neighborhood Participant</b>	Individuals, businesses, and organizations located in a neighborhood surrounding the event route. ( <a href="#">See included neighborhoods by route.</a> )	\$50	\$100
<b>Minneapolis Participant</b>	Individuals, businesses, and organizations located in the city of Minneapolis.	\$200	\$300
<b>Minnesota Participant</b>	Individuals, businesses, and organizations located in Minnesota.	\$350	\$450
<b>Out-of-State Participant</b>	Entities located and/or headquartered outside the state of Minnesota.	\$500	\$750
<b>Food Vendor</b>	For food trucks or food vendors that do not qualify as an On-the-Route Participant, Neighborhood Participant, or Makers Market Vendor	\$200	\$200
<b>Nonprofit Participant</b>	501(c)3, 501(c)4, government entities, and community-led groups.	\$100	\$100
<b>Municipal Participant</b>	Departments and entities governed by the City of Minneapolis.	FREE	FREE

## PARTICIPANT CATEGORY DEFINITIONS

### Performer & Programmer

Groups and individuals who perform at the event or who provide free activities or programming for attendees of the event. Entities with more than 25 full-time employees are excluded from this category unless specifically permitted by the event organizer.

Examples: musicians, dance groups, kids’ bubble activities, bike repair workshops, free fitness classes, spoken word poetry readings, yard games, free history exhibit, etc.

### Makers Market Vendor

Formerly the Artisan Market Vendor category. Crafters, artisans, and entrepreneurs from Minnesota who do not rent or own a brick-and-mortar storefront. Multi-level marketing salespeople are excluded from this category (Paparazzi Jewelry, Cutco, etc.). Cottage food permit holders may participate in the Makers Market.

Examples: ceramic art, custom clothing, small-batch body care products, pre-packaged hot sauce, hand-poured candles, curated vintage curio, watercolor art, etc.

### On-the-Route Participant

Individuals, businesses, and organizations that are located on the event route. Includes food vendors that are located on the event route.

In an effort to welcome past participants from inactive Open Streets Minneapolis routes, Our Streets Minneapolis will offer On-the-Route pricing to entities located on 2022 event routes at specific 2023 events.

2023 Open Streets Event	On-the-Route Pricing Inclusion Areas
<b>East Lake</b>	Minnehaha Ave between E Lake St and E 38th St Franklin Ave between Portland Ave and 26th Ave S

# PARTICIPANT CATEGORY DEFINITIONS

## Neighborhood Participant

Individuals, businesses, and organizations that are located in the neighborhoods surrounding the event route. Includes food vendors that are located in surrounding neighborhoods.

2023 Open Streets Event	Surrounding Neighborhoods
<b>East Lake</b>	Phillips West, Midtown Phillips, East Phillips, Central, Powderhorn Park, Corcoran, Longfellow
<b>Glenwood</b>	Harrison, Sumner-Glenwood, Bryn-Mawr, Near-North, Willard-Hay
<b>Cedar</b>	Cedar Riverside, Elliot Park, Ventura Village, Seward
<b>West Broadway</b>	Near-North, Willard-Hay, Hawthorne, Jordan
<b>Lyndale</b>	Lowry Hill East, Whittier, South Uptown, Lyndale, Kingfield, East Harriet

## Minneapolis Participant

Individuals, businesses, and organizations that are located in the City of Minneapolis

## Minnesota Participant

Individuals, businesses, and organizations that are located in Minnesota.

## Out-of-State Participant

Individuals, businesses, franchises, corporations and other entities located and/or headquartered outside the state of Minnesota.

### *A note on franchises and corporations*

Franchises and corporations must participate as an Out-of-State Participant unless the location of the entity’s headquarters qualifies the entity for a different participation category.

For example, let’s say a theoretical national chain called FastFood Burger has a restaurant location on East Lake Street, but their headquarters is in Des Moines, IA. Even though a FastFood Burger restaurant is located on-the-route for Open Streets East Lake, FastFood Burger would register as an Out-of-State Participant because their headquarters is located in Iowa.

## **PARTICIPANT CATEGORY DEFINITIONS**

### **Food Vendor**

For food trucks or food vendors that do not qualify as an On-the-Route Participant, Neighborhood Participant, or Makers Market Vendor

Food vendors who qualify as an On-the-Route Participant, Neighborhood Participant, or Makers Market Vendor are eligible to register to participate in those lower-fee categories.

### **Nonprofit Participant**

Includes 501(c)3 and 501(c)4 organizations, government departments or entities, and unincorporated community-led groups. Nonprofit participants who provide a free service or activity at the event, like vaccinations or mutual aid, may be eligible to participate for free as a programmer and should contact the event organizer.

If a participant who would qualify for this category is also located on the event route or in a neighborhood surrounding the event route, they can participate for a lower fee by registering as an On-the-Route Participant or Neighborhood Participant.

### **Municipal Participant**

Departments and entities governed by the City of Minneapolis

Examples: Minneapolis Department of Health, Minneapolis City Council Ward 2 Office

## FOOD AND BEVERAGE PERMITS

If you are selling or giving away food or drink, you will need to submit a food permit via online form for every event you wish to participate in. The only types of edible items that do not require food permits are bottled water distribution or pre-packaged candy distribution. See the [Dates and deadlines section](#) for food permit application deadlines. **All permitting costs are covered by your Open Streets MPLS participation fee.**

If you do not fit in one of the categories listed below, you will apply for a Short Term Food Vendor Permit.

- Cottage Food Producer Registration (from the Minnesota Dept. of Agriculture)
- Minneapolis Seasonal Food Permit
- Minneapolis Food Truck (Mobile) License
- Exempt Vendors (Product of the Farm or Pour-Only Vendors)

Select the link that applies to you in the chart below to fill out your correct form. Not sure which category you fall into? Contact us at [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org)

	Event				
	East Lake	Glenwood	Cedar	West Broadway	Lyndale
Permit or License Type	<a href="#">Short Term Food Vendor Permit</a>	<a href="#">Short Term Food Vendor Permit</a>	<a href="#">Short Term Food Vendor Permit</a>	<a href="#">Short Term Food Vendor Permit</a>	<a href="#">Short Term Food Vendor Permit</a>

	<a href="#">Cottage Food Registration or Exempt Vendor</a>	<a href="#">Cottage Food Registration or Exempt Vendor</a>	<a href="#">Cottage Food Registration or Exempt Vendor</a>	<a href="#">Cottage Food Registration or Exempt Vendor</a>	<a href="#">Cottage Food Registration or Exempt Vendor</a>

If you would prefer a PDF or paper form to the online form, reach out to us to request one by emailing [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org) or calling 612-424-0485.

At least two weeks prior to the event at which a food vendor wishes to distribute food, food vendors of any permit type will also be required to complete a one-hour **food safety training** hosted by Our Streets Minneapolis and the Minneapolis Department of Health. Food safety training sessions will take place virtually on the following dates:

- Tuesday, 5/16 at 4:30 pm
- Tuesday, 6/20 at 4:30 pm
- Tuesday, 7/25 at 4:30 pm
- Tuesday, 8/15 at 4:30 pm
- Tuesday, 9/12 at 4:30 pm

To register for one of the above trainings OR to request a different training time, [fill out this form](#).

You are responsible for complying with the City's guidelines for dispensing food at events. [See page 10 of the Short Term Food Permit for more details](#). You will be inspected by the City of Minneapolis at Open Streets Minneapolis. The City of Minneapolis will enforce closure and fines for unpermitted vending and food safety violations. For questions on food safety, contact the Minneapolis Health Department at 612-673-3000.

Approved food distributors will receive a confirmation email a few days before the event confirming the City has approved your participation. **Ensure you have your permit at the event.** If you have a Mobile Food Vehicle license, Limited Mobile vendor license, or Seasonal Food Permit license from the City of Minneapolis, ensure you know your license number number (format LICXXXXX).

When setting up, complete the **Event Food Booth Self-Inspection Checklist** on pages 8 and 9 of the [Short Term Food Permit](#). Avoid common food code violations by:

- Ensuring you have hand washing if you have open food
- Ensuring you have mechanical refrigeration for potentially hazardous foods
- Not touching food that is ready to eat with bare hands

## **SECURING A FOOD PERMIT FOR PRIVATE PROPERTY**

Open Streets Minneapolis cannot provide food permits for activities on private property. If you are thinking of selling or giving away food or beverage on private property or any space not on the street or sidewalk, you must contact Minneapolis Environmental Health well in advance to determine what permits would make this possible:

EnvironmentalHealthPermit@minneapolismn.gov or 612-673-3000. The City of Minneapolis will enforce closure and fines for unpermitted vending and food safety violations.

## **SECURING A FOOD PERMIT FOR IMMEDIATELY OUTSIDE YOUR RESTAURANT**

If you are a licensed restaurant along the route that will apply for an expansion of license, contact your [Business Licensing Inspector](#) or Minneapolis Environmental Health. Restaurants with the proper expansion of license usually still need food permits. Businesses who apply for an expansion of license must receive approval from Our Streets Minneapolis.

## **ALCOHOL SALES AT OPEN STREETS MINNEAPOLIS EVENTS**

Overall, Alcohol sales are not permitted at Open Streets Minneapolis events. The only exceptions apply to businesses on the route who secure an expansion of license from the City of Minneapolis (see above). If businesses are unable to keep alcohol within a secure perimeter around their expanded license area, Our Streets Minneapolis will disallow alcohol sales by that vendor for the remainder of the event.

## **OPERATOR CERTIFICATE OF COMPLIANCE (ST19) FORM FOR SALES**

---

If you are selling anything at Open Streets Minneapolis, including food or drink, you must email an [Operator Certificate of Compliance \(ST19\) form](#) to [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org). Do not send it to the Minnesota Department of Revenue. See the [Dates and deadlines section](#) for ST19 submission deadlines.

## AMPLIFIED SOUND AND MUSIC

---

A limited number of participants may amplify sound at Open Streets Minneapolis. Amplified sound means anything loud enough to impact conversations more than 25 feet away. If this applies to your activities, you must specify you intend to use amplified sound when completing the Open Streets Minneapolis registration form. We fit as many amplified sound sources in as we can while maintaining at least 300 feet between sources to minimize sound overlap. Amplified sound locations are assigned on a first-come, first-served basis.

To respect our neighbors and comply with City ordinance, **all amplified sound at Open Streets Minneapolis must not exceed 85 dB(A)** measured 20 feet from the source. This is well below typical outdoor concert levels. Don't have a sound level meter? We can measure during the event or you can take advantage of the many free sound level meter mobile apps.

**You do not need a sound permit;** Open Streets Minneapolis holds the necessary sound permits for the entire event. Open Streets Minneapolis does not provide or facilitate electricity access.

## MATERIALS & ELECTRICITY ACCESS

---

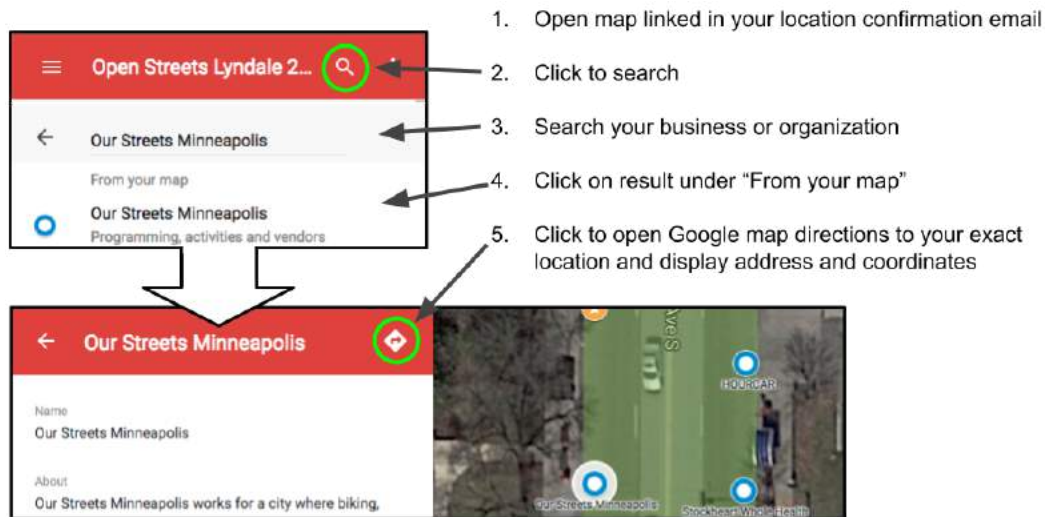

Open Streets Minneapolis does not provide any materials. Participants (you) are responsible for bringing everything you need for your activities. You may bring a tent, tables, chairs, games or other non-dangerous movable materials.

**Open Streets Minneapolis does not provide electricity access.** If you require electricity, you may independently coordinate electricity access with a business on the route or may bring a generator. Propane tanks for generators may not exceed 20L in volume.

## FINDING YOUR ASSIGNED SPOT ON THE STREET

Two weeks prior to each event, you will receive an email with a link to the **event map** that includes your exact spot on the street. If your activities require a food permit or an Operator Certificate of Compliance (ST19) form for sales, *we will not assign your spot until we have received everything we need.*

How to find your location on the event map linked in your location confirmation email:

Many factors are considered when determining your location, including:

- Your request for a specific location (submitted when completing registration).
- Ensuring activities are appropriate for their location and respectful to residents and businesses.
- Allowing entities located on-route to have the space outside their building or storefront.
- Choosing a location that fits your planned activities.
- Spacing out mobile food vendors and programming evenly throughout the route.
- Ensuring amplified sound locations are at least 300 feet apart.
- Assigning locations in order of sign up; first-come, first-served.
- Ensuring the overall event layout meets legal and safety requirements.

By default, each spot host has a 15 foot by 15 foot space on the street for your activities. You can request more space at sign up. We can almost always accommodate requests for more space.

Your location and a description of your activities you provide at sign up will be placed on a public digital event map on the [Open Streets Minneapolis website](#). Please contact Ember at [events@ourstreetsmpls.org](mailto:events@ourstreetsmpls.org) or 612-424-0485 with any questions about your location or special requests.

## EVENT LOGISTICS & SCHEDULE

---

**All materials must be at your assigned location by 10:30 AM and cleared from the street before 5:00 PM. It is your responsibility to be mindful of time constraints and adhere to that schedule.**

**If you have questions during the event, text or call  
Ember Rasmussen, Our Streets Event & Program Coordinator, at 612-424-0485.**

### 9:00 AM - 10:30 AM | MATERIALS DROP OFF

- Anytime between 9:00 AM and 10:30 AM, you may drop off materials in the parking lane or on the boulevard (be respectful of gardens and plantings) adjacent to your assigned spot on the street.
- You may also move participating motor vehicles (e.g. food trucks) into place during this time.
- Do not place anything in travel lanes or obstruct the flow of traffic at this time.
- With the exception of vehicles participating in the event, no parking is allowed on the event route from 9:00 AM to 5:30 PM.
- All motorized vehicles dropping off materials must be removed from the route by 10:30 AM.
- **All motorized vehicles participating in the event must be in place by 10:30 AM.**

### 10:30 AM - 11:00 AM | STREET CLOSURE

- At 10:30 AM, Minneapolis Police will begin closing the route to motor vehicle traffic.
- By 11:00 AM, the entire route will be closed to motor vehicle traffic.
- Once your section of the street is closed, you may move materials into the street.
- Do not place anything within 10 feet of the center of the street.
- **After the street is closed, you may not drive motor vehicles on the event route.**

### 11:00 AM - 5:00 PM | DURING THE EVENT

- After Minneapolis Police have closed your section of the street to motor vehicle traffic, you may set up materials in the street.
- **Food, water, portable toilets and fun can be found throughout the event.**
- In case of emergency, call 911 and specify that you are at Open Streets Minneapolis.

### BEFORE 5:30 PM | TEARDOWN

- Motor vehicle traffic will be back on the street at 5:30 PM sharp.
- All materials must be removed from travel lanes before 5:30 PM.
- **It is your responsibility to ensure you begin packing up with enough time to be finished by 5:30 PM.** Because teardown times range from 5 to 90 minutes, we do not have a uniform teardown time.

### 5:30 PM | TRAFFIC RETURNS

- Police begin opening the street to motor vehicle traffic at 5:30 PM.
- Ensure all of your materials are removed from travel lanes before 5:30 PM.
- After traffic has returned to the route, you may move motor vehicles participating in the event.

## INCLEMENT WEATHER

---

Open Streets Minneapolis goes on rain or shine. If severe weather threatens the event, the start time may be delayed or the event may end early. Any changes to start or end times will be announced to the general public on all social media platforms.

**In the event of a start delay**, participants will receive an email by 9:00 AM the morning of the event.

**If the event is to end early**, Open Streets Minneapolis staff and volunteers will notify all participants in-person along the route.

## POLICING AT OPEN STREETS MINNEAPOLIS

---

Open Streets Minneapolis is a program of the City of Minneapolis. To support the Open Streets Minneapolis events, the City of Minneapolis provides street closure support. The City utilizes Traffic Control and Minneapolis Police Department personnel to close city streets for all Open Streets Minneapolis events. To the best of Our Streets Minneapolis' understanding, there is not currently a clear path or model for city street closure in Minneapolis without MPD presence.

Our Streets Minneapolis's public statement on De-Policing Streets can be viewed at [https://www.ourstreetsmpls.org/county\\_streets\\_de\\_policing\\_our\\_streets](https://www.ourstreetsmpls.org/county_streets_de_policing_our_streets). If you need assistance or feel unsafe or uncomfortable when interacting with Minneapolis Police at Open Streets Minneapolis events, please text or call Ember Rasmussen immediately at 612-424-0485.

## POLICIES

---

### By participating in Open Streets Minneapolis, I agree to the following:

1. To obtain a dedicated spot on the street during the event to distribute food, sell things, or conduct other approved activities, individuals or entities must complete the Open Streets Minneapolis registration form.
2. Any individual or group is free to participate in Open Streets Minneapolis without completing the Open Streets Minneapolis registration form if they are actively moving by biking, walking, skateboarding, etc. within the public right-of-way and not distributing food or beverage, selling anything or engaging in illegal or dangerous activity.
3. All persons or entities distributing food or beverage within the public right-of-way at Open Street (“food vendor”) must be approved by the City of Minneapolis to distribute food or beverage at Open Streets Minneapolis and be listed on the Event Food Sponsor Permit.
4. As the event sponsor, Our Streets Minneapolis will apply to the City on behalf of the food vendor for permission to distribute food or beverage at Open Streets Minneapolis. Our Streets Minneapolis will not apply on behalf of vendors with incomplete or inaccurate information. The City has sole authority to approve or deny applicants.
5. Our Streets Minneapolis will notify all food vendor applications of their approval or denial prior to the event. Food vendor applications denied by the City of Minneapolis are not allowed to participate in the event for which they applied. Food vendors may not apply for or seek permission to distribute food or beverage at Open Streets Minneapolis without Our Streets Minneapolis’ knowledge and consent.
6. Food vendors must comply with all City of Minneapolis requirements, including completing the day-of Event Food Booth Self-Inspection (see page 4 of the Short Term Food Permit Application).
7. Food vendors using tents must not place liquid propane tanks under the tent, a 2A10BC fire extinguisher must be on hand, and each leg of the tent must have 30 pounds of weight.
8. Food vendors will be inspected by City of Minneapolis Food vendors found not in compliance with relevant food health and safety standards may receive a citation or be asked to leave the event. All questions regarding food safety and regulations need to go directly to the Minneapolis Health Department at 612-673-2301 or [health@minneapolismn.gov](mailto:health@minneapolismn.gov).

9. The food vendor is responsible for any penalties--financial or otherwise--as a result of incomplete or inaccurate license or permit information or health or safety code violations or infractions by that food vendor at Open Streets Minneapolis. The food vendor is also responsible for any penalties received by Our Streets Minneapolis--financial or otherwise--a result of incomplete or inaccurate license or permit information or health or safety code violations or infractions by that food vendor at Open Streets Minneapolis.
10. If you are selling anything at Open Streets Minneapolis you must complete the Open Streets Minneapolis registration form (found on the Get a Spot page) and submit an Operator Certificate of Compliance (ST19) form (details provided in the registration form and on the permit page) by the specified date. The seller is responsible for any penalties--financial or otherwise--as a result of incomplete or inaccurate information on their Operator Certificate of Compliance (ST19) form or other violations or infractions by that seller at Open Streets Minneapolis.
11. Payment, food permits, and Operator Certificate of Compliance (ST19) form must be submitted by deadline (See [Dates and deadlines section](#)).
12. Our Streets Minneapolis and Open Streets Minneapolis reserves the right to refuse participation to and/or remove from any or all Open Streets Minneapolis event any individual, group, or entity that violates any Open Streets Minneapolis policy, engages in illegal activities, or exhibits behavior deemed dangerous, disrespectful, inappropriate, and/or offensive by Our Streets Minneapolis staff.
13. Our Streets Minneapolis practices a Safer Spaces Policy. Safer spaces are intentional anti-oppression spaces, created with the goal of supporting and welcoming all identities, meaning all genders, races, religions, abilities, orientations, etc. We make safer spaces by being brave enough to enter these spaces, being vulnerable to making mistakes and learning, and by calling out and responding to oppressive behavior. Open Streets Minneapolis events are held as safer spaces. As a participant in Open Streets Minneapolis, you agree to support the following statements: All identities are welcome here. We all work together to create safer spaces. Bigotry will not be tolerated.
