**Construction Notice for contract C15-20-25 (P)
Hamilton Amateur Athletic Association (HAAA) Park Reconstruction**

Dear Sir/Madam:

The City of Hamilton has a contract with Alpine Green Contracting to complete works as called for under contract **C15-20-25 (P)**. This notice is to advise you that construction is scheduled to start on or about the weeks of **April 6th / April 15, 2026** and be substantially complete by the **spring of 2027, weather permitting**.

The work involves the construction of asphalt multi-use trails, playgrounds, spray pad, skatedot (small skateboard park), basketball court, running track, sports field, concrete plazas, site seating and furnishings, sun shelters, park lighting, tree plantings and garden beds. During this time, you may experience some inconveniences such as noise, dust, and restricted traffic movement. Every effort will be made to complete the work in a timely manner and to keep any inconvenience to a minimum. We ask for your patience during this period.

During construction there will be temporary impacts to neighborhood parking, including the temporary closure of parking spots on Charlton Avenue West between Kent Street and 289 Charlton Avenue West.

To help direct pedestrian traffic in the area during construction a temporary pedestrian crossover (PXO) will be implemented on Charlton Avenue West at Reginald Street. Additionally, during construction temporary traffic flow changes to the Kanétskare School and Recreation Centre parking lot will be implemented, converting vehicular traffic flow in the parking lot to one way traffic entering from Duke St and exiting onto Robinson St. **Please refer to the figure attached to this letter for details.**

This notice is your connection to Landscape Architectural Services. Please keep it in a convenient location for future reference. Updates in relation to the park renewal and timing will be posted to the project website during construction and can be found at the following link provided:
<https://www.hamilton.ca/things-do/parks-green-space/creating-improving-parks/park-projects/hamilton-amateur-athletic>

We ask for your co-operation during this period and request that any questions regarding this work be directed to the City Project Manager listed below.

Respectfully,

Iain Miller
