Protested Contest(s)	Current Vote Margin (subtract runner-up totals from apparent winner's totals)
N.C. Senate District 42	204

5. This protest alleges (*select at least one*):

- A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.
- A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

It appears the county board of elections has counted ballots cast by voters who had their registration denied and were therefore ineligible to vote in an election.

Under North Carolina law, no one may vote unless he is registered to vote. N.C. Gen. Stat. § 163-82.1(a). A voter's application to register may be denied, or a voter may have his registration denied or otherwise be lawfully removed from the voter rolls. *See, e.g.*, N.C. Gen. Stat. § 163-82.9. Such persons, lacking a valid registration, shall not vote in an election. N.C. Const. art. VI, § 3(1).

We have identified voters in the county who cast a ballot in the election but whose application to register to vote was ultimately denied, or who were otherwise removed from the voter registration rolls. EXHIBIT A is an affidavit that includes a list that identifies such voters that was created from information provided in response to public records requests and other publicly available information. It appears that some, if not all, of these ballots were accepted, processed, and counted by the county board of elections. These actions violate North Carolina law.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge.

Ryan Bonifay

8. Cite any statute or case, administrative rule or decisions, and election policy or procedure that supports your claim set out under Prompt 5.

N.C. Gen. Stat. §§ 163-82.1, -82.9; N.C. Const. art. VI, § 3(1).

RELIEF

9. What effect do you believe the facts alleged in response to Prompt 6, if proven, will have on the electoral outcome in the protested contest(s)? Your response should account for the current vote margin calculated in response to Prompt 4.

- The electoral outcome of the protested contest(s) will change.
- The electoral outcome of the protested contest(s) will not change.
- I am uncertain whether the outcome of the contest(s) will change.
- Other _____

AFFIDAVIT OF RYAN BONIFAY)

_____)

I, Ryan Bonifay, being duly sworn, depose and say as follows:

Background and Experience

1. I am over 18 years of age and competent to make an affidavit.
2. I have personal knowledge of the matters described herein.
3. I am a citizen of the United States and a resident of Lexington, North Carolina.
4. I am employed as Director of Data and Analytics at Coldspark, a political consulting and strategy firm. I have been so employed since January 2023. Previously, I have been employed by the Republican National Committee as Regional Analytics Director and State Analytics Director for North Carolina, as Data Director for Engage Texas, and as Data Director on U.S. Senate, congressional, and gubernatorial campaigns. Altogether I have approximately 10 years of experience as a data analyst for political campaigns and parties, all of them Republican. I have previously worked on North Carolina elections during the 2016 and 2020 election cycles.
5. I was retained by the North Carolina Republican Party to review and compile publicly-available information from the North Carolina State Board of Elections, either on their website or received through public records requests, in connection with the filing of election protests.

6. In my professional work I have become familiar with public sources of data on voter registration and voter turnout in North Carolina, and with the inputs to and limitations of such sources.

Assignment

7. I was asked to submit this affidavit in support of election protests filed with county boards of elections across North Carolina.

8. I was asked by counsel to generate a list of individuals who cast a ballot despite their registration application being denied or despite having been removed from the voter registration rolls, based on publicly available data.

9. In aid of compiling this data, lawyers for the North Carolina Republican Party made numerous requests for information under North Carolina's Public Records law. Once the relevant public agencies produced their responses, I attempted to match the produced records to public voting records to identify voters who may have cast a ballot but were ineligible as of Election Day. The process for doing so is described in more detail below.

10. In attempting to create a list of voters who voted despite having their voter registration application denied, or despite being removed from the registration rolls, I relied on documents produced by the North Carolina State Board of Elections on November 18, 2024 titled "2024-11-7 Audited Data.xls" and "2024-11-12 Audited Data.xlsx". I understand these files to be the product of an internal NCSBE audit into, among other things, individuals who cast a ballot despite having their voter registration denied or being removed from the registration rolls. Both files contain tabs entitled "Removed Voters with Votes" and "Denied Voters with Votes".

11. I combined the information contained in both of the November 18, 2024 files received from the NCSBE and de-duplicated the records (so the same individuals did not appear multiple times in either the removed voters list or the denied-registration list) in order to generate lists of voters whose registration had been denied and voters whose registration had been canceled.

12. I matched voters whose voter registration application was denied, or who were removed from the registration rolls, to the list of voters who cast a ballot in the November 2024 election based on the statewide voter list, filename ncvoter_Statewide.zip, and absentee voter list, filename absentee_20241105.zip.

13. I matched the list of individuals whose voter registration was denied or who were removed from the registration rolls to the statewide voter list and absentee voter list based on the voter registration number and NCID number.

14. This process resulted in a list of likely matches in this county, which are attached as **ATTACHMENT 1**.

15. Accordingly, Attachment 1 contains a list of people who (1) attempted to vote in the 2024 General Election before November 5, 2024 (via early vote, absentee by mail, etc.), (2) had their vote accepted by their applicable county board of elections, and (3) had their application for voter registration rejected or their name removed from the voter registration rolls. Attachment 1 contains additional information about each individual which was contained in the information from the NCSBE.

16. Attachments 1 does not include whether the applicable county boards of election challenged each of these voters, as that information has not yet been made available by the NCSBE.

Further, the affiant sayeth not.

This 19 day of November, 2024.
