JOIN US IN PALM SPRINGS!

CALLING EXHIBITORS

Please join us in Palm Springs to celebrate 10 years of the Industry Expo. What started with 30 exhibitors on Cape Cod is now 100+ strong and fills the Palm Springs Convention Center with an ever-growing group of attendees. We pride ourselves on hosting an inclusive industry event to engage with, and ensure active participation from, all members of the aviation community. As the most affordable event of its kind, we strive to provide the best quality at attractive price points for attendees and exhibitors.
