About Tina**

Vote Tina Nieto for Monterey County Sheriff

Marina Police Chief Tina Nieto has been called upon time and time again over her 33-year career in law enforcement to take over struggling law enforcement organizations, where she has restored trust, trained her fellow officers to reduce homelessness and crime through community policing. The results have consistently included:

- Lower Crime/Recidivism Rates
- Fully-Staffing Law Enforcement
- Decreases in Homelessness
- More Community Engagement
- Increased Community Trust
- Balanced Budgets

WHAT MAKES TINA DIFFERENT?

Tina has brought a broad coalition of supporters together.

Chief Nieto has been endorsed by the Democratic Women of Monterey County and the Monterey County Democrats. Additionally, the two opponents that were defeated in the primary for Monterey County Sheriff both endorsed her the day after the primary.

Like Tina, they both knew that a leadership change was needed in the Sheriff's Office and that she was the right woman for the job. Finally, Tina is a leader people want to work for, as the unions representing the deputy and civilian workers of her opponent both endorsed her!
