### Strategy for achieving the objectives

To achieve its stated objectives, the company has adopted the following strategies:

- Attract and retain staff and volunteers who are committed to working towards the advancement of our objectives. This strategy will ensure that the organisation's key objectives remain the motivator for all our programs and initiatives. This strategy will be measured by the rate of staff/volunteer turnover.
- To increase the number of relevant program areas. This strategy will ensure that the organisation is taking a holistic view of our objectives by looking at issues of appropriate funding, the type and scope of educational programs. This strategy will be measured by the creation of programs addressing these issues and stakeholder feedback as to their efficacy and relevance.
- To increase the number of collaborations. This strategy will enable the organisation to demonstrate the bi-directional benefits of collaboration in the promotion of our objectives. This strategy will be measured by the number of collaborations and stakeholder feedback as to their efficacy and relevance.

## Principal Activities

- raising financial and other resources to support its programmes and priorities and those of the New Israel Fund;\
- increasing the awareness and interest of individuals, communities, business and government of the importance of, and issues pertaining to human rights, equality, tolerance, diversity, reconciliation and peace.
- stimulating and fostering desire by individuals and communities to do right in the world, to combat human rights abuses, racism and racial stereotyping, and to contribute to social inclusion, respect, and dignity of each other and of others less fortunate;
- sharing learning (both domestic and international) on how to combat and reduce human rights abuses and the effects of such abuse;
- advancing education about the natural environment and cooperation to protect it;
- cooperating with other organisations that share a common purpose with the company; and
- providing internships, seminars, study tours and exchange opportunities

# Notes to the Financial Statements

## New Israel Fund Australia

### For the year ended 31 December 2021

#### 1. Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **New or amended Accounting Standards and Interpretations adopted**

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

##### **Basis of preparation**

In the directors' opinion, the company is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the Australian Charities and Not-for-Profits Commission Act 2012 requirements to prepare and distribute financial statements to the members of New Israel Fund Australia. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the members of New Israel Fund Australia.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for profit oriented entities.

##### *Historical cost convention*

The financial statements have been prepared under the historical cost convention, except for, where applicable, the revaluation of financial assets and liabilities at fair value through profit or loss, financial assets at fair value through other comprehensive income, investment properties, certain classes of property, plant and equipment and derivative financial instruments.

##### *Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

##### **Revenue recognition**

The company recognises revenue as follows:

##### *Interest*

Interest revenue is recognised as interest accrues using the effective interest method.

##### *Charitable and other revenue*

Charitable and other revenue is recognised when it is received or when the right to receive payment is established.

##### **Income Tax**

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

---

These notes should be read in conjunction with the attached compilation report.

## Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

## Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

## Trade and other receivables

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

## Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

## Employee benefits

### *Short-term employee benefits*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

## Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

## 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation

---

These notes should be read in conjunction with the attached compilation report.

to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. There are no critical accounting judgements, estimates and assumptions that are likely to affect the current or future financial years.

# Directors' Declaration

## New Israel Fund Australia

### For the year ended 31 December 2021

In the directors' opinion:

- the company is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the Australian Charities and Not-for-Profit Commission Act 2012 requirements to prepare and distribute financial statements to the members of New Israel Fund Australia Foundation;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 31 December 2021 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

On behalf of the directors

# INDEPENDENT AUDITOR'S REVIEW REPORT

## **To the Members**

**New Israel Fund Australia.**

## Report on the Financial Report

We have reviewed the accompanying financial report, being a special purpose financial report of New Israel Fund Australia, which comprises the statement of financial position as at 31 December 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

## Responsible Entities' Responsibility for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and has determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the needs of the members. The responsible entities' responsibility also includes such internal controls as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2415 Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report does not satisfy the requirements of Division 60 of the ACNC Act including: giving a true and fair view of the registered entity's financial position as at 31 December 2021 and its performance for the year ended on that date; and complying with the Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC Regulation). ASRE 2415 requires that we comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Basis for Qualified Conclusion

Cash donations are a source of fundraising revenue for New Israel Fund Australia. The New Israel Fund Australia has determined that it is impracticable to establish control over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from this source was limited, our review procedures with respect to cash donations had to be restricted to the amounts recorded in the financial records. We therefore

are unable to conclude whether the recorded cash donations of New Israel Fund Australia are complete.

## Qualified Conclusion

Based on our review, which is not an audit, with the exception of the matters described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the financial report of does not satisfy the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 including:

- a. giving a true and fair view of the registered entity's financial position as at 31 December 2021 and of its financial performance and cash flows for the year ended on that date; and
- b. complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

## Basis of Accounting

Without further modifying our conclusion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the responsible entities' financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose.

## Report on Other Legal and Regulatory Requirements

In accordance with the requirements of section 60-50(3)(b) of the ACNC Act, we are required to describe any deficiency, failure or shortcoming in respect of the matters referred to in paragraph 60-30(4)(b), (c) or (d) of the ACNC Act.

We did not find any deficiency, failure or shortcoming that would modify our review of the financial report.
