

Will you give Australian stem cell scientists the support they need to continue their ground-breaking work?

National Stem Cell Foundation of Australia

**Yes, I will!**

### 1. My gift:

**\$50**

Could help us continue to promote the study and use of stem cell research in Australia.

**\$150**

Could go towards resources that educate the public about the potential of stem cell research.

**\$500**

Could go towards a grant that allows a promising Australian scientist to pursue the cure to a currently untreatable disease, using stem cell technology.

\$

A gift of my choice to support stem cell scientists and their work.

### 2. My payment method:

Cheque / money order  
(please make payable to National Stem Cell Foundation of Australia)
