

PROPERTY TAX JUSTICE *PROGRESS*

1) Correct entire neighborhoods for fairness

Tax office reviewing 171 neighborhoods

Ensure neighborhoods are re-assessed fairly.

2) Improve the assessment process – make it fair!

County Tax Assessment Work Group to review processes (with consultant)

1) Ensure work group feedback truly improves fairness.
2) Ensure recommendations become reality.

3) Increase funds for tax assistance and home repairs

- \$75k increase in tax assistance
- ~\$364k increase for home repairs

- County may contribute \$100k more for tax assistance.
- \$1.7 million more needed to clear home repairs waitlist (200 families, 2 years long.)

4) Correct *undervalued* luxury apartments, so they carry a fair share of the tax burden.

No progress – appeals of *undervalued* luxury apartments denied. Most investors have legal representation fighting to keep their property assessments low.
