

# THIS IS YOUR MPP MIKE HARRIS

**MIKE HARRIS**  
Progressive  
Conservative

## Mike Harris is making things worse in Ontario by:

- Planning to eliminate full-day kindergarten and remove the cap on classroom sizes from kindergarten to grade 3.

## Mike Harris has already:

- Cancelled the modernized curriculum that keeps children safe.
- Threatened post-secondary institutions with funding cuts if they do not allow all speech, including racist and discriminatory remarks, on campus.
- Failed to adequately fund universities to make up for tuition fee reduction.
- Reduced non-repayable grants for students and cancelled the six-month interest-free period on student loans, making it harder to get a university education.
- Attacked student unions' ability to represent their members and provide services.

We have a voice. Be part of the **POWER OF MANY.**  
Tell Mike Harris "End cuts to education and safe learning environments. Keep our young people safe."

## FACTS:

- Ontario's spending on public services per person is the lowest in Canada.
- Ontario's schools are crumbling with a \$15.9 billion repair backlog.
- Ontario's per-student funding for universities is the lowest in Canada.
