

Take Action on Islamophobia

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS white supremacy and hate crimes are on the rise, and we must take urgent action to combat Islamophobia and organized hate; and

WHEREAS Ontario should be a province in which families can live without fear, regardless of the religion they practice, their clothes, or the colour of their skin; and

WHEREAS the National Council of Canadian Muslims (NCCM) has made recommendations for key and common sense changes in the way that we challenge Islamophobia in Ontario;

THEREFORE, we the undersigned petition the Legislative Assembly of Ontario to pass the *Our London Family Act*, which will address NCCM's provincial calls to action including

- a provincial review of hate crimes and hate-motivated incidents in Ontario;
- new tools and strategies for Ontario schools to combat all forms of racism;;
- Safe Zones around religious institutions;
- empowering the Speaker to ban protests at Queen's Park that incite hate
- dismantling white supremacist groups by preventing them from registering as societies, and prevent acts of intimidation; and
- establishing an Ontario Anti-Racism Advisory and Advocacy Council, to make sure racialized communities have a say on government policies that impact their lives.
