

BRING BACK REAL RENT CONTROL

To the Legislative Assembly of Ontario:

WHEREAS the government cancelled rent control on units built after November 2018; and

WHEREAS the cost to rent a home has never been higher; and

WHEREAS people are being forced to leave their communities because decent, affordable homes are increasingly out of reach; and,

WHEREAS The *Rent Control for All Tenants Act 2022* will ensure tenants are not gouged on rent each year;

THEREFORE WE THE UNDERSIGNED petition the Legislative Assembly of Ontario to protect tenants from predatory rent increases and pass the *Rent Control for All Tenants Act* to ensure renters can live in safe and affordable homes.
