

# PROTECT THE GREENBELT

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

**WHEREAS** the Government has removed 7,400 acres of land from the Greenbelt;  
**WHEREAS** the Government says it will replace the lost land with land elsewhere – but many of the proposed additions are already protected;  
**WHEREAS** the Government has eroded environmental protections to make it easier to build badly planned housing developments;  
**WHEREAS** Ontario is already losing 319.6 acres of farmland daily to development;  
**WHEREAS** the Government Housing Affordability Task Force found there are plenty of places to build homes without destroying the Greenbelt;  
**WHEREAS** the Government’s repeated moves to tear up farmland and bulldoze wetlands have never been about housing, but are about making the rich richer;  
**WHEREAS** greenspaces and farmland are what we rely on to grow our food, support natural habitats and prevent flooding;  
**THEREFORE WE THE UNDERSIGNED** petition the Legislative Assembly of Ontario to stop all plans to remove protected land from the Greenbelt & protect existing farmland and sensitive wetlands.
