IMPROVE HIGHER EDUCATION Member of Provincial Parliament for University-Rosedale

To the Legislative Assembly of Ontario,

WHEREAS a ten percent tuition cut with no increase to government funding will have a huge negative impact on post-secondary education, especially on workers, low-income students, and students who rely on campus wellbeing and accessibility services;

WHEREAS eliminating the O.S.A.P. tuition grants for low-income students will make post-secondary education even less accessible;

WHEREAS eliminating the six-month interest-free grace period for student loans will increase the student debt burden and make post-secondary study less accessible to low-income students;

WHEREAS switching to an opt-in model for student organizations will radically defund equity-based campus groups, undercut students' ability to advocate for their interests, and cause job losses for hundreds of workers employed by student organizations;

We the UNDERSIGNED, petition the Ontario Legislative Assembly of Ontario to stop attacking student union and student groups funding, reverse their policy changes to O.S.A.P. by restoring the six-month interest-free grace period and the 2018 model of grant and loan ratios, and match the ten percent tuition cut with an equal funding increase to Ontario colleges and universities.
