To the Legislative Assembly of Ontario:

WHEREAS The Ford government is currently planning to sell the majority - 60% - of Wasaga Beach Provincial Park's beachfront lands to developers;

WHEREAS Wasaga Beach is home to both endangered species and coastal dune systems that protect the shoreline;

WHEREAS the Ford government is amending the *Provincial Parks and Conservation Reserves Act* to make it easier to sell off other provincial parklands without environmental assessments or consultation, across the province;

WE, the undersigned, petition the Legislative Assembly of Ontario to:

- Immediately stop the sale of the majority of Wasaga Beach Provincial Park's beachfront lands.
- Leave the *Provincial Parks and Conservation Reserves Act* unchanged.
- Preserve and maintain provincial parklands across Ontario for future generations.
