

Stop the Takeover of Billy Bishop **JESSICA BELL**

MPP for University—Rosedale

To the Legislative Assembly of Ontario:

WHEREAS the Ford government has a record of infrastructure failures, including the 8 billion dollar long-delayed Eglinton LRT and the Ontario Science Centre’s unnecessary closure to fund Ford’s Swiss-owned mega-spa at Ontario Place;

WHEREAS Ford can't be trusted to protect the conservation of fragile local ecosystems and wildlife;

WHEREAS Ford has decided to take over Billy Bishop Airport without consulting with the local community;

Therefore we the undersigned petition the Legislative Assembly as follows:

To stop the Premier from taking over Billy Bishop Airport from the City of Toronto.
