

Hot Days, Cool Homes

To the Legislative Assembly of Ontario:

WHEREAS Ontario is seeing record-setting heatwaves across the province

WHEREAS there have been alarming reports of tenants being unable to install air conditioning units in their apartments

WHEREAS extreme heat is putting lives at risk; especially for seniors, low-income renters, and people with disabilities

WHEREAS we need maximum temperature regulations to protect renters

WHEREAS the Hot Days, Cool Homes Act, 2026 would cap apartment temperatures at 26C and require landlords to treat cooling as a vital service to their tenants

Therefore we the undersigned, petition the Legislative Assembly of Ontario to respect the health, safety and dignity of tenants by establishing a maximum temperature law for all rental units in Ontario

- Pass the Hot Days, Cool Homes Act, 2026
