

Build Ontario and Beat the Tariffs

To the Legislative Assembly of Ontario:

WHEREAS Ontario’s economy is being threatened by tariffs from the United States of America;

WHEREAS Ontario needs a strong, coordinated response to fight back against these and future tariffs;

WHEREAS Ontario needs to ensure that workers’ incomes are protected and can withstand whatever Trump throws at us;

WHEREAS Ontario needs to support a “Buy Canada” strategy that requires a “Made in Ontario” approach; and

WHEREAS Ontario must help protect our monetary and sovereign security.

We, the undersigned, citizens and residents of Ontario, petition the Legislative Assembly of Ontario to:

Work with all levels of government to protect good jobs, prevent plant shutdowns, protect seniors’ pensions, and help strengthen our domestic market and industries. We need to look after people, get Ontario building, and grow our economy.
