

SAVE NORTHERN WSIB JOBS

WHEREAS the Workplace Safety and Insurance Board (WSIB) provides vital services to workers across Ontario;

WHEREAS these workers are essential to helping injured workers navigate an already complex and often frustrating system;

WHEREAS the reality in Northern Ontario is fundamentally different from realities in Southern Ontario;

WHEREAS Injured workers in Northern Ontario deserve to be served by those who understand the challenges specific to our region;

WHEREAS the WSIB has announced the permanent removal of local representation across nine locations in Ontario – a decision that will result in more than 700 job losses across the province, including hundreds in the North:

WE THE UNDERSIGNED PETITION THE LEGISLATIVE ASSEMBLY OF ONTARIO AS FOLLOWS:

That the Government of Ontario immediately direct WSIB management to reopen regional offices and restore a full complement of regional staff to serve workers in the regions they live in.
