COMMUNITY & COLLECTIVE POWER

RIGHT TO RESOURCES COMMITTEE MEETING

Tue · June 10 · 6:30 PM · Virtual

What Does Freedom Look Like? Let's Fund It.

Our movements need more than dreams—they need *dollars aligned with values*. This ain't just spreadsheets and talk—it's a call to action. Come shape our resources that reflect our needs, our brilliance, and our right to thrive. Tell us what resources ONE DC *must* have to support our communities' wellness, income, and housing. Research with us. Imagine with us. Build what's ours.

 Tap in—your voice is the budget. [Click here to RSVP](#)

HOMES FOR ALL DC CIRCLE MEETING

Sat · June 14 · 10:30 AM–1 PM · BWWC

This Month's Theme? Resource, Resource, RESOURCE.

Tenants need more than promises—we need power *and* support. Join us to discuss the RENTAL Act, amplify tenant rights, and share the *real-deal* resources available for individuals and associations alike. Got a concern in your building? We've got the tools but we also need you. We're not just defending homes—we're fortifying legacies.

 Bring your questions, bring your neighbor, leave with a plan. [Click here to RSVP](#)

HOUSING CONDITIONS ACTION HUB

You Asked, We Listened—Now Let's Move.

Tired of waiting on landlords who don't care? This is your space. Bring your lived experience, bring

your stories, and be part of creating *long-term, sustainable housing change*. Together, we're turning mold, leaks, and neglect into collective power backed by legal tools and community defense.

Let's Talk About It.**

It's that time again; Men's Mental Health Month. A Sacred circle for brothers—young and seasoned—to *gather, reflect*, and each other. We're holding space for grief, joy, legacy, love, and the magic of showing up. This is not therapy. This is *healing in real time*. Come feel what it's like to be seen, respected, and supported by a village that wants to see you thrive.

 *When we heal ourselves, we heal our homes.* [Click here to LEARN MORE](#)
