## **Regulation Committee Report for 2022**

**Submitted to the Membership**

**at the Annual General Meeting on March 5, 2023.**

I am the co-chair of the Regulation Committee.

During this past year we welcomed a new member to our committee!

We continue to build our knowledge and understanding of the pathway toward regulation. Our efforts are focused on research and information gathering.

Our goal for the coming year is to draft a proposal to the executive detailing the viability and steps toward regulation that may be available to PACTA BC.
