

Parents for Choice in Education (parentchoice.ca) is an Alberta-based, non-profit organization that supports Alberta students by advocating for excellence in education through maximum parental choice.

To help parents make informed decisions in the upcoming trustee elections, we invite candidates to respond to the following questions on key education issues.

Most questions are answered Yes / No / Somewhat, with space provided for additional comments.

Responses are published on our website and shared widely to help voters understand candidates' positions.

#1. Who are trustees primarily accountable to?

- Parents
- The wider Public
- The school system/administration
- Other: There is not one group we are accountable to. We are accountable to all the above including voters, taxpayers, parents, and the community, which includes the school system.
