THE MIGRANT INVASION

IMMIGRATION IS OUT OF CONTROL!

THE CONSERVATIVES HAVE OPENED THE BORDERS!

The Conservatives have repeatedly talked about reducing migration and have promised stricter controls on immigration - they have lied! The current Conservative government have the worst record on immigration in the history of this country.

- **Last year alone 715,000 migrants came to Britain**
- **437,000 of those were from non-EU countries**
- **Illegal channel crossings have doubled over the last 12 months**
- **There are estimated to be 1.2 million illegal immigrants living in Britain**
- **Britain's population is set to rise by 7.5 million over the next decade**

The Conservative Party likes to talk tough on immigration - but they have in fact broken records when it comes to migration into Britain. What's more, Boris Johnson has on numerous occasions called for an amnesty for illegal immigrants - granting 1.2 million people British citizenship.

Now the Conservatives are offering up to 3 million residents of Hong Kong the right to come to Britain and settle here over the next five years. That's enough people to fill three cities the size of Birmingham!

The Conservatives have repeatedly betrayed the British people. It's time to close our borders and deport those who have come here illegally - it's time to put an end to mass immigration.
