

Are you proud of our nation – Great Britain?

Are you concerned about the future of the country?

Do you feel as if your views are NOT represented in British politics?

If you answered 'yes' to any of these questions, read on.

National Pride

This flyer is brought to you by Patriotic Alternative (PA), a proud nationalist community group. We champion the rights of the native British – the English, Scottish, and Welsh – stewards of our homeland, the British Isles.

Our nation has been shaped over centuries by our people and has made a positive impact that extends well beyond our borders. Rooted in our ethnic identity lies a culture of commitment to fairness, honesty and respect. At PA we believe this culture is something worth celebrating and preserving.

Demanding respect for our heritage

We have concerns about the future of our nation and do not believe that successive governments have prioritised the interests of the native British. Time and again our leaders have shown a disregard for our heritage taking advantage of our people's good nature, to prioritise others over the British people. We have engaged in unnecessary foreign wars that have made our own country less safe and welcomed millions from distant lands, often at the expense of our own people and brought foreign conflicts to our doorstep.

Advocating for our own ethnic group

Patriotic Alternative advocates for the rights of indigenous Brits in order to ensure we are not treated as second-class citizens while not compromising our aims in order to gain mainstream approval. We are a well-organised and peaceful community who care deeply about our people and a future for our children. Besides political campaigning, our activities include:

- Social gatherings: camping, hiking and fitness clubs
- Annual conference
- Seasonal celebrations: Easter, May Day and Harvest Festival
- Litter picks, homeless outreach & much more...

Join our community today to create a better future for us and our children.
