

We are striking to ensure the district meets our demands so that every Portland student can attend a great public school.

Together with our supportive community, we will ensure our picket lines are impossible to ignore. Read on for the information you need to prepare to participate!

On the Picket Line:

- When: 7:45 AM - 10:30 AM, every day until a settlement is reached.
- Where: Your work site
- What to bring: Reach out to your CAT team and the strike captain at your site. They will share what the steps are at the morning huddle before the picket.
- Accessing your strike relief: Members who actively participate in a legal, sanctioned strike activity will receive \$120 a day from the OEA Relief Fund. Find your strike captain at the picket line to scan a QR code and check in. Be sure to include your address when filling out the form.
- Staying safe: If you are sick, please STAY HOME and notify your strike captain. We have provided information to our CAT captains and our CAT leads with information on the Dos and Don'ts at a picket line.

Citywide Rally Information:

We will be hosting daily rallies from 12:00 PM to 2:00 PM during the strike. Locations will change each day and will be communicated through your strike captain.

Join us tomorrow for our first citywide rally! The theme of this event will be: "Women of Color Leading the Movement for Great Public Schools For All." We will come together to show our collective strength and the power of our movement.

- - **When:** 12:00 PM –2:00 PM
 - **Where:** Roosevelt High School, 6941 N. Central St., Portland, Oregon. We encourage you to carpool, as parking may be hard to find.
 - **Who:**
 - Becky Pringle, president, National Education Association
 - Angela Bonilla, president, Portland Association of Teachers
 - Cecily Myart-Cruz, president, United Teachers Los Angeles
 - Students, bargaining team members, and supporters

Other information:

- **Healthcare and Back Pay:** PAT members have already earned health insurance for the month of November. If it comes to it, which we don't think it will, OEA will pay for insurance to cover the period that is unpaid due to an elongated strike. Back pay will depend on the terms for returning back to the classroom agreed upon in the contract.
- How allies can help: We have several asks for our community supporters. They can get links to our Solidarity Fund, Solidarity Form, and letter writing campaign by texting SUPPORT to 48744.
- Next steps: We are committed to staying on strike until district leaders make real investments in Portland students and schools so they can win safe, equitable,

sustainable schools for all. We will continue to bargain in good faith and hope the district will join us. Bargaining dates will be shared once scheduled.

If you have any additional questions, please reach out to your strike captain for information.
