

# Renew the Portland Teachers Levy! Yes for Teachers, Yes for Kids

## YES on Measure 26-246

The 2024 Portland Teachers Levy renewal will fund an average of 655 teaching positions a year in Portland Public Schools at the same tax rate.

## Levy Facts

### Maintains Current Tax Rate

This levy is a renewal. Meaning taxpayers would continue paying the same local option tax rate of \$1.99 per \$1,000 assessed value they have paid since 2007.

### Preserves Over 650 Teaching Positions

Teachers are the heart of our schools. Renewal of the levy funds over 655 high quality teaching positions across the District. Nearly 20% of all teaching positions in Portland Public Schools are funded by the Levy.

### Supports a Comprehensive Education

Levy funds help support a well-rounded program including career and technical programs and enrichments and electives, so students can graduate with the skills they need to be career and college ready.

### Funds Teaching Positions - Not Administration

All levy funds are placed in a separate account and can only be used to fund educator positions. The Community Budget Review Committee will provide independent oversight and track spending to ensure tax dollars are used for purposes approved by voters.

### Directs Support to the Classroom

Funds critical staff such as educational assistants and reading specialists for students struggling with academic or mental/behavioral health issues.
