

**How Does The  
Portland Association  
of Teachers Work?  
2025-2026**

# Have a question? Not sure if something is allowed under our contract?

**Ask your colleagues.** Apply for a mentor or look for an educator you respect and trust for support.

**Read our contract.** It pays to know your rights and available opportunities. Command or Ctrl + F is your friend!

**Reach out to your Building Reps.** They can either help you with what you need, or connect you with someone who can.

**Lastly, contact the PAT office.** If you have an issue that is private, contact your union office directly.

**Your building representatives are there to support you!**
