RE: THANK YOU FOR SUPPORTING YOUTHCARE'S RIDICULOUSLY GOOD CAMPAIGN

Dear Phil,

What a month it has been. I wanted to write personally to say how much your involvement in Ridiculously Good has meant, not just to me, but to the young people and school communities across Western Australia whose lives your support will touch.

Whether you made a donation, or took the plunge into an ice bath, you backed something that matters and brought a little joy to it (and to me) along the way.

YouthCARE's 500 chaplains and 1,300 volunteers are out in schools every week, quietly doing the work that rarely makes headlines, but does change lives. They are the trusted adult a student turns to when things get hard, the steady presence families lean on, the person who notices when someone is struggling and knows what to do. Every dollar raised through Ridiculously Good goes towards making sure that presence remains consistent and accessible across our school communities.

Across the month, the campaign brought together runners, can collectors, Boab nut carvers, burpee completers and, yes, a brave few in ice baths. Each person brought something of themselves to the cause. The result was a beautiful picture of what happens when a community rallies around young people.

Thank you for being part of it. Your generosity is deeply appreciated, and the young people of Western Australia are better for it.

With gratitude,
