Croeso gan yr **Arweinydd**

Mae'n bleser eich croesawu i gyd i Gynhadledd Wanwyn Plaid Cymru 2023 yn Theatr y Ffwrnes, Llanelli.

Y tro diwethaf i ni gyfarfod, yn Llandudno, fe'ch cyflwynais i strategaeth wleidyddol Plaid Cymru ar gyfer y dyfodol, gyda'n nod o greu ac adeiladu Plaid gynhwysol ynghyd â Chymru gynhwysol a thecach – Plaid i Bawb a Chymru i Bawb.

Ers hynny, mae pobl ledled y wlad wedi bod yn codi eu lleisiau yn erbyn yr anghydraddoldebau, yr annhegwch, a'r polisiâu gwirioneddol frawychus sy'n dod o San Steffan gyda gweithwyr ym mhobman yn streicio am gyflog tecach ac amodau gwaith gwell. Mae Plaid Cymru wedi bod ar y llinellau piced gyda nhw boed law neu hindda, gan ddangos undod, a defnyddio ein llais yn y Senedd a San Steffan i alw mas pob math o anghyfiawnderau sy'n wynebu ein gweithwyr ar draws y wlad.

Ar ben hyn, mae'r argyfwng costau byw wedi gadael aelwydydd ledled Cymru yn methu â rhoi bwyd ar y bwrdd. Dyma beth mae tair blynedd ar ddeg o doriadau Toriaidd a phum mlynedd ar hugain o gamreoli Llafur wedi'i wneud i'n cymunedau.

Yr unig ffordd ymlaen nawr yw Cymru annibynnol, gwbl gynhwysol lle nad oes neb yn cael ei adael ar ôl.

Achos un peth sy'n sicr – mae aros yn rhan o system doredig San Steffan yn ein cadw mewn cylch o wasanaethau cyhoeddus sy'n dirywio, deddfau brawychus, sydd yn dyfnhau anghydraddoldeb.

Ond sut mae cyrraedd y nod o fod yn Gymru i Bawb - cenedl gyfartal, wyrdd, ddwyieithog heb dlodi? A sut mae argyhoeddi pobl y bydd annibyniaeth yn gwneud gwahaniaeth gwirioneddol i'w bywydau?

Dros y penwythnos byddaf yn gosod y llwybr hwn ac yn eich gwahodd i ymuno â mi wrth i mi gyflwyno'r strategaeth newydd gyffrous hon, ynghyd â'ch diweddarau ar ddatblygiadau'r Cytundeb Cydweithio a sut mae'n cyd-fynd â'r weledigaeth honno.

Unwaith eto, rwy'n edrych ymlaen yn arw i'ch gweld i gyd yn bersonol ac yn dymuno cynhadledd hapus a gwerth chweil i chi gyd!

Dros Gymru,

Adam Price AS
Arweinydd Plaid Cymru

Welcome from the **Leader**

It's a pleasure to welcome you all to the Spring 2023 Plaid Cymru Conference in Ffwrnes theatre, Llanelli.

The last time we met, in Llandudno, I introduced you to Plaid Cymru's political strategy for the future, with our aim of creating and building an inclusive Party along with an inclusive, fairer Wales - a Plaid For All and Cymru For All.

Since then, people across the country have been raising their voices against the inequalities, unfairness, and truly frightening policies coming from Westminster with workers everywhere striking for fairer pay and better work conditions. Plaid Cymru has been on the picket lines with them come rain or shine, showing solidarity, and using our voice in the Senedd and Westminster to call out all manner of injustices suffered by our hard-working people across the land.

On top of this, the cost-of-living crisis has left households across Wales unable to put food on the table. This is what thirteen years of Tory cuts and twenty-five years of Labour mismanagement have done to our communities.

The only way forward now is an independent, fully inclusive Wales where no one is left behind.

Because one thing's for sure – remaining part of Westminster's broken system will continue to trap us in a cycle of deteriorating public services, frightening, draconian laws, and deepening inequality.

But how do we become a Cymru For All - a nation of equals, green, bilingual and poverty-free? And how do we convince people that independence will make a positive difference in their lives?

This weekend I will be setting out this path and invite you to join me as I introduce this exciting new strategy along with updating you on the progress with the Co-operation Agreement and how it ties into that vision. Again, I look forward to seeing you all in person and wish you a happy and worthwhile conference!

Dros Gymru,

DOGS TRUST

Every year, many greyhounds are injured, die, or are put to sleep as a result of greyhound racing in Wales. In addition to this there are serious welfare concerns at every stage of a racing greyhound's life. This includes issues around kennelling and transporting the dogs. Some dogs are kept in poor, barren conditions, with little if any enrichment and fed a poor diet. With only one track in Wales, we have an opportunity to put an end to this cruel sport.

Join Blue Cross, Dogs Trust, Greyhound Rescue Wales, Hope Rescue and the RSPCA as well as Members of the Senedd, to learn how we can work together to #CutTheChase, and see a phased end to greyhound racing in Wales.

Sesiwn i drafod yr heriau a'r cyfleoedd i Gymru a'r sector ynni adnewyddadwy wrth i ni drosglwyddo i Sero Net. Mae heriau sylfaenol yn cynnwys: swyddi/sgiliau yn y lle iawn ar yr amser iawn, seilwaith grid, cadwyn gyflenwi, ac mae'r cyfleoedd yn cynnwys: buddsoddiad mewn cymunedau gwledig o ddatblygiadau ynni gwynt a datblygiadau ynni eraill, Cymru'n dod yn bŵer ynni gwyrdd, a seilwaith grid newydd sy'n galluogi Cymru gyfan i elwa ar Sero Net.

Dyma gyfle i drafod a myfyrio ar yr enillion a'r cyfleoedd mae'r Blaid wedi'u sicrhau drwy'r Cytundeb.

Yn ystod y flwyddyn gyntaf, rydym wedi gweld cyhoeddiadau a datblygiadau allweddol drwy'r cytundeb sydd â'u gwreiddiau ym mholisi ac ymgyrchoedd Plaid Cymru. Mae'r rhain bellach yn dwyn ffrwyth trwy gydweithio mewn llywodraeth, ac yn amrywio o gyflwyno prydau ysgol am ddim i holl blant ysgolion cynradd, gweithredu radical i fynd i'r afael ag ail gartrefi a'r argyfwng tai, gwarchod buddiannau ffermwyr, cyflwyno gofal plant am ddim i blant dwy oed a gosod y ffordd ymlaen ar Ddiwygio'r Senedd i gryfhau ein democratiaeth ac ehangu ein Senedd.

Net Zero in Wales: Challenges and opportunities

A session to talk through the challenges and opportunities for Wales and the renewables sector as we transition to Net Zero. In the immediate term, how can we reach the suggested Government target of meeting 100% of Wales' electricity needs from renewable sources by 2035. Delivering Change Through the Co-operation Agreement

Chaired by Liz Saville Roberts MP, members and delegates are invited to join the Leader of Plaid Cymru, Adam Price and Co-operation Agreement Designated Members, Sian Gwenllian and Cefin Campbell to discuss and reflect on the gains and opportunities the party has secured through the Agreement.

The session will also discuss the possibilities and challenges of communicating the wins resulting out of a new culture of cooperation, in the context of the longstanding Welsh democratic deficit, demonstrating just how vital it is that the party makes most of the political and campaign opportunities offered through the Agreement.

During its first year, the Co-operation Agreement has seen key announcements whose roots originate in Plaid Cymru policy and campaigns. These are now coming to fruition through co-operation in government, and include the introduction of universal free school meals for primary school children, radical action to address second homes and the housing crisis, protecting the interests of farmers, the introduction of free childcare for two year olds and agreeing a way forward on Senedd Reform to strengthen democracy and expand our Senedd.

As we enter year two of the Co-operation Agreement, Plaid Cymru is looking ahead to the next significant milestones that we must reach to move Wales forward – this includes energy and harnessing our natural resources, accelerating the provision of social housing, a white paper for property and fair rents, the constitution, broadcasting, social care and bold steps to strengthen the Welsh language through education.

Wales Governance Centre

Bevan and Cymru

Commonly depicted as hostile to devolution and political nationhood, Aneurin Bevan has been identified by some as a hard-line opponent of Welsh nationalism and efforts to secure self-government.

But is that the full story? Bevan himself acknowledged the 'special claims' of Wales and while accepting the need for some kind of distinct status for the nation, he struggled to find an alternative to the administrative devolution which began developing during the twilight of his career.

Drawing upon his new book of Nye Bevan's writings for Tribune Magazine, the Wales Governance Centre's Nye Davies will be in conversation with Daniel G Williams on the topic of Bevan and Cymru. We invite you to join us for a lively political discussion, which will have significant importance for how Plaid Cymru and advocates of an eventually independent Wales engage with the enduring popularity of Bevan's legacy.
