NEW YORK HEALTH FOR ALL

The New York Health Act is a bill that would set up universal single-payer healthcare in NY. It has passed the Assembly the last 4 years. We are close to majority Senate support. There is broad support from businesses, unions, and other organizations (see nyhcampaign.org) It is funded through a progressive tax based on ability to pay.

Hi. I'm Mark Bertolini,
and I'm the CEO of
Aetna. In 2015 I
made **\$27.9 million**.
Thank you for paying
your insurance.

I'm Stephen Hemsley,
CEO of UnitedHealth. I
made **\$20 million** in
2015. Thanks!

And I'm Joe Swedish,
the CEO of Anthem.
Thanks for my

\$13.5 million in 2015!
We ♥ your money!

"I DEPEND ON
MEDICARE
FOR MY LIFE-
SUSTAINING
DIALYSIS
TREATMENTS.
PRIVATIZATION

OF MEDICARE COULD
INCREASE COSTS OVER TIME.
I **FEAR** THIS COULD LEAD
TO **BANKRUPTCY** AND LOSS
OF COVERAGE FOR DIALYSIS
PATIENTS LIKE ME.

- CHAD G.

"THE EXPANSION OF
MEDICAID
ALLOWED FOR
SOMEONE LIKE ME
- A POET, WHO
DOESN'T HAVE
A LOT OF MONEY

AND A PRE-EXISTING CONDITION
- ACCESS TO THE HEALTHCARE
I NEEDED."

- RANGI M.

WHEN I WAS 29 I WENT
TO THE **ER** FOR WHAT
I THOUGHT WAS
FOOD POISONING.
IT WAS ACTUALLY
CANCER. I DIDN'T
HAVE INSURANCE.

THE HOSPITAL DIDN'T
TREAT ME VERY WELL. I OFTEN HAD TO BEG
TO BE TREATED WITH DIGNITY. THEY STARTED
TO HOUND ME FOR \$\$\$ AND RELEASED ME
WITH LARGE INFECTIONS IN MY ABDOMEN AND
CHEST. **BUT...** I QUALIFIED FOR MEDICAID
AND EVENTUALLY **MEDICARE!!!** I CAN GO TO
A GOOD HOSPITAL AND WON'T GO BANKRUPT!
THE **NY HEALTH ACT** WILL BE LIKE MEDICARE
WHICH IS GREAT!!! **EVERYONE** SHOULD HAVE
COVERAGE LIKE I DO.
