Notes to the Financial Statements For the year ended 30 June 2023

The financial statements are for Gondwana Rainforest Trust Ltd as an individual entity. Gondwana Rainforest Trust Ltd is a public company, limited by guarantee, incorporated and domiciled in Australia. The registered office of the company is 121 Logan Road, Woolloongabba, QLD 4102.

Note 1 Statement of significant accounting policies

Basis of Preparation

In the opinion of the Directors, the company is not publicly accountable. The financial statements are special purpose and have been prepared to meet the reporting requirements of the Australian Charites and Not-for-Profits Commission Act 2012.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on the historical cost and accruals basis, except where stated otherwise.

Accounting Policies

(a) Revenue

Interest and dividend income are recognised on receipt.

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of a service is recognised upon delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Government grants

Government grants are only recognised where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. If the Government grant cannot be determined with reasonable certainty, then the grant is only recognised on receipt.

Cash Flow boost receipts received have been recognised as other revenue in the Statement of Comprehensive Income.

(c) Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

The cost of fixed assets constructed within the company includes cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as separate assets, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the period in which they are incurred.

Notes to the Financial Statements For the year ended 30 June 2023

Note 1 Statement of significant accounting policies (continued)

(d) Depreciation

The depreciable amount of all fixed assets including building and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of fixed asset Depreciation rate (%) Depreciation method Plant and equipment 20 Diminishing value

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(e) Employee Benefits Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render related services, including wages and salaries. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits other than annual leave and long service leave, such as wages, salaries and termination benefits are recognised as part of current trade and other payables in the statement of financial position.

The company classifies annual leave entitlements as current employee benefits. The company classifies long service leave as current employee benefits for amounts applicable to employees with ten or more years' service.

Other long term employee benefits

The company classifies long service leave as non-current for amounts applicable to employees with 7-10 years' service as they are not expected to be settled wholly within the 12 months after the end of the annual reporting period in which the employees render the related services.

The company's obligations for long term employee benefits are presented as non-current liabilities in its statement of financial position except when the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are reported as current liabilities.

Superannuation Benefits

Employees of the company receive superannuation entitlements, for which the company pays the applicable superannuation guarantee contribution to the employee's superannuation fund of choice. All contributions in respect of employee's entitlements are recognised as an expense when they become payable. Obligations for unpaid superannuation guarantee contributions are measured at the undiscounted amounts expected to be paid when the obligation is settled and are presented as current liabilities in the company's statement of financial position.

Notes to the Financial Statements For the year ended 30 June 2023

Note 1 Statement of significant accounting policies (continued)

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(i) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year.

(j) Adoption of New and Revised Accounting Standards

During the current year the company adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

Independent Auditor's Report To the Directors' of Gondwana Rainforest Trust Ltd.

Opinion

We have audited the financial report of Gondwana Rainforest Trust Ltd (the Company), which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Creation Ministries International Ltd is in accordance with the Australian Charities and Not-for-profit Commission Act 2012, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and the Australian Charities and Not-for-Profits Commissions Regulations 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Australian Charities and Not-for-profits Commission Act 2012 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Australian Charities and Not-for-profits Commission Act 2012, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 of the Financial Statement, which describes the basis of accounting. The financial report has been prepared to assist Gondwana Rainforest Trust Ltd to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Other Information (continued)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profit Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

[A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/Home.aspx. This description forms part of the auditor's report.]
