RANKED CHOICE VOTING

Because **EVERY VOTE COUNTS**

A Ranked Choice Ballot will...

- ✓ **Ensure majority support** by eliminating the “spoiler effect” to elect a candidate who appeals to a broad base of voters.
- ✓ **Promote diverse candidates** by encouraging more candidates to run for office without fear of vote-splitting.
- ✓ **Minimize strategic voting** by encouraging voters to choose their true favorite, without settling for the “lesser of two evils”.
- ✓ **Curb negative campaigning** by rewarding candidates who reach beyond their base to find common ground with more voters.
