# THE REDLANDS AREA DEMOCRATIC VOICE

Redlands Area Democrats, welcome to your **2022 New Year's Resolution Newsletter!** There is a lot going on in this mid-term year, here in our home communities of Redlands, Highland, and Loma Linda. So, this year, let's resolve to:

·**Take action.** We provide you with weekly action items on our website, Facebook, Instagram, and Twitter. They may take you 5 minutes to make a call, send an email or text, or read up on an issue. So, let's get informed and get involved.

·**Participate in RADC.** Attend our monthly meetings (currently 100% virtual on Zoom), volunteer on a committee or at an event. We're a friendly group, working here in our communities to better the lives of our neighbors and fellow residents. Join us!

## Redlands ReDistricted

Ana McNaughton provided a thorough and informative presentation on the opportunity to re-draw the City Council districts in Redlands at our January 15 meeting. The City Council on January 18 was told that the current city district map was well within required parameters, but the City Council decided to review alternative maps at their next meeting. RADC wishes to ensure that the map selected by the City Council is equitable for all of Redlands' residents. An ad hoc group of members is working together to submit a proposed map to the City Council by the Monday, January 31 deadline.

## ACTION ITEM EXAMPLES

The California Public Utilities Commission has a proposal to slash incentives for rooftop solar.

Please EM or CALL Governor Newsom regarding rooftop solar initiatives in our state.

<https://govapps.gov.ca.gov/gov40mail/>  
CALL: 916/445-2841

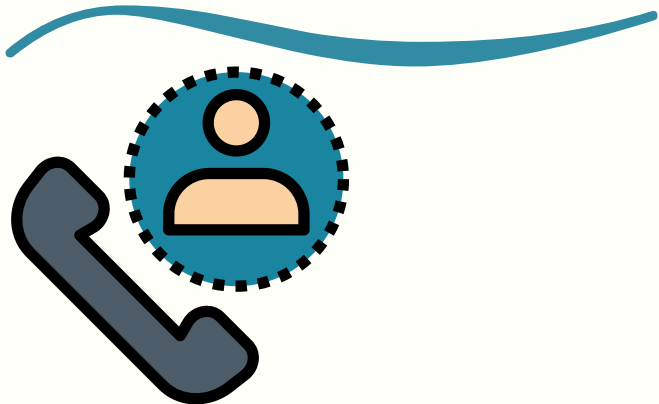

The goal needs to be not only continuing to encourage and support rooftop solar but expansion to open up this vital climate initiative to lower as well as middle-income households in our state.

There's a new climate action group in town: ANCA.

It stands for Accelerate Neighborhood Climate Action, and they are planning their March launch via a series of talks. Future alerts will come via RADC's weekly action items, so keep checking on Facebook, Instagram, Twitter and/or the RADC website.

**CalCare, or AB1400**, is coming up for a vote in the California Assembly on **1/31!!** “AB 1400 sets in motion a single-payer health care coverage system in California for all residents, regardless of citizenship status. By streamlining payments and lowering per-capita health care spending, CalCare guarantees quality health care and long-term care without creating barriers to care or out-of-pocket costs.”
