

Republican National Lawyers Association Bob Horn Fund for Law Students

Reimbursement Policy for RNLA Conferences and Seminars

The Republican National Lawyers Association (RNLA) has established the Bob Horn Fund for Law Students in honor of its Founding Chair Robert J. Horn, to encourage law students to be more active in RNLA. The Bob Horn Fund for Law Students will provide financial assistance to law students who wish to attend RNLA's annual National Policy Conference (NPC) and National Election Law Seminar (NELS) and assist in the establishment of law student chapters in key states throughout the country.

RNLA staff will have sole discretion to disburse funds from the Bob Horn Fund for Law Students.

RNLA has limited funds to assist law students with attending NPC and NELLS. To be eligible to receive these funds, students must:

- Be enrolled in law school or have graduated within the past year.
- Be an active member of RNLA.
- Agree to volunteer to help ensure that elections are open, fair, and honest on Election Day or other days throughout the year.
- Waive RNLA's liability for injuries sustained while traveling to or from or attending NPC or NELLS.

Preference will be given to students who:

- Are leaders in RNLA or the Republican Party.
- Are involved in or working to start an RNLA law student chapter.
