

South Australia became the fourth state to pass a Voluntary Assisted Dying Act in June 2021. VAD commenced in SA on January 31, 2023. Picture shows Hon Kyam Maher, (now) Attorney General, who tabled the VAD Bill (left) and Hon Susan Close, (now) Deputy Premier, who managed the HOA debate (right).

Emily Pumpa, Director of the SA Voluntary Assisted Dying Care Navigator Service will explain how Care Navigators can support terminally ill people through a medically assisted death.

**Sunday  
April 7  
2.15pm**

**Box Factory  
59 Regent St South**

All welcome

Light refreshments provided after the meeting

VAD Care Navigators in SA Health can support and guide you through the VAD process. Each public hospital has a VAD Liaison Officer who can also support and guide you.
