

Dear Friends and Neighbors,

Thank you for stepping forward and taking the first step to lead Minnesota in the right direction.

Minnesotans are tired of a top-down approach to nearly every aspect of our lives, from state-run school boards and zoning mandates to new state-run benefit programs. These policies have left families and the next generation with fewer choices, less freedom, and higher costs.

This year, we have a real opportunity to flip seats in both the House and the Senate, opening the door to our first statewide Republican victory in nearly 20 years. But success will require hard work, dedication, and a continued focus on the shared priorities that unite us.

Join me in pushing back against the extremes Minnesota has faced for far too long. Together, we can right-size government, reduce car tab fees, cap property taxes, hold agencies accountable for fraud, issue rebate checks when the state runs a budget surplus, improve educational outcomes, support law enforcement, and fully repeal the tax on Social Security benefits.

My name is Andrew Myers, and I have the honor of serving as your Minnesota State Representative. I serve as an Assistant Floor Leader and sit on the Housing, Capital Investment, and Ethics Committees and am Vice Chair of the House Transportation Committee.

I am a husband, father of four, attorney, and small business owner. Over the last three years, I have fought at the Capitol for lower property taxes, safer communities, and a stronger economic climate for families, seniors, and small businesses, while working to hold agencies and commissioners accountable for an estimated \$9 billion in fraud.

All of this was accomplished while campaigning in one of the toughest districts in the state, where, with your help, we flipped a rare Hennepin County seat from blue to red and secured a 67–67 tie in the Minnesota House, stopping the DFL trifecta.

Thank you again for stepping forward and your continued support. I look forward to working alongside you to move Minnesota in the right direction. Please don't hesitate to reach out at any time.
