Dear Members,

This week, the health provider unions' bargaining committees (CUPE, SEIU-West, and SGEU) met with SAHO in Saskatoon. We exchanged our common table proposal packages and started common bargaining table discussions.

During the week, leaders from the health provider unions also conducted a joint media event with Global News. We publicly addressed concerns about the bargaining process, specifically criticizing both the provincial government and its bargaining agent, SAHO, for what we characterized as "slow walking" or unnecessarily delaying negotiations.

The unions and SAHO will be returning to the bargaining table to continue common table discussions the week of November 3rd.

On behalf of your bargaining committees,

Bashir Jalloh
President
CUPE 5430

Lisa Zunti
President
SEIU-West

Tanya Schmidt
Bargaining Chair
