WHO WE ARE

Our camp is built on a foundation of trade union values. We stand for equality, fairness, and justice; for dignity and respect of all working people. We believe in solidarity, and that people can achieve more in acting together than they can on their own.

We welcome campers who are between the ages of 13-16, and who are children of union members.

WHAT WE ACCOMPLISH

- ☆ **DEEPEN AWARENESS OF SOCIAL JUSTICE** with a worker-centered, equal rights perspective. Issues include, but are not limited to, anti-colonialism, human rights, international solidarity, ageism, ableism, sexism, transphobia, racism, and homophobia.
- ☆ **CREATE A FORUM FOR YOUNG PEOPLE** to exchange ideas and work together to increase awareness among other young people in the labour movement, unions, their rights in the workplace, and to build a support network.
- ☆ **DEVELOP COLLECTIVE ACTION SKILLS** in organizing, problem solving, and decision making.

WHAT WE DO

Our camp empowers young people through active learning, cooperative recreation, and fun-focused social events.

Activity is the cornerstone of any summer camp – we offer campers the chance to zipline, play field games, craft, wall climb, and more!

Through activity and presentations, campers dive into unions, organizing, worker rights and safety, and equality. All the while, campers challenge and resist ageism, ableism, transphobia, homophobia, sexism, racism and other issues that are important to navigating the world as a young person and young worker.

Campers will also participate (and even lead!) in a host of fun activities, including a talent night, initiative tasks, bonfires, and much more! The farewell dance on the last night is always a highlight for campers.

LOGISTICS

The camp will begin Saturday afternoon, August 8th and end the following Friday morning, August 14th. Staff at our camp include Youth Activity Coordinators (YACs), recreation staff, counsellors, food service professionals, and camp nurses.

OUR GUARANTEE

A fun and safe environment that is youth-empowering, ability-inclusive, anti-racist, feminist, queer-positive, and worker-centered.
