

The First Nations, Métis and Inuit Committee (FNMIC) is requesting your support to help those in our communities that are struggling with homelessness and housing insecurity.

We are asking for donations of:

toothpaste and toothbrushes

combs and hair brushes

socks and underwear

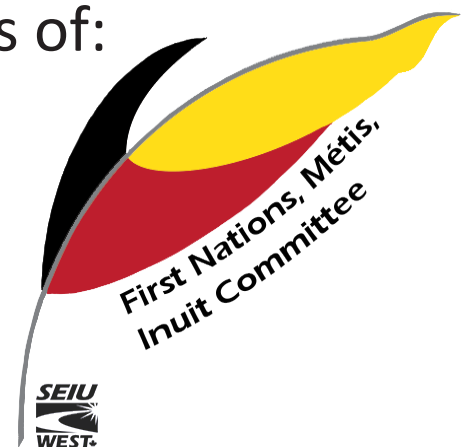

toques, mitts, and gloves

blankets

journals

soap, shampoo and conditioner

treats to brighten someone's day

**Please drop off donations to your nearest SEIU-West office by
December 16, 2022.**

We are seeing the consequences of a lack of support to address addictions, mental health issues and supports for people to succeed.

WE CAN MAKE A DIFFERENCE!
