# Bob Desjarlais Memorial Scholarship

## THE DETAILS:

The scholarship will be an annual \$750 prize for SEIU-West members, in addition to the ongoing ten scholarships for members and ten scholarships for children of members.

This scholarship honours the characteristics we miss so much about our Staff Rep, Negotiator, and friend, Bob Desjarlais. The successful applicant will be someone who has their co-workers' backs, dedicates their time to fellow union members by being an ally, supports, encourages and defends...in other words, someone who embodies the definition of solidarity.

Applicants must be pursuing an educational program deemed acceptable by the SEIU-West Scholarship Committee. In order to qualify, please read about who Bob was and then send the SEIU-West Education Committee an email ([actions@seiuwest.ca](mailto:actions@seiuwest.ca)) describing how you, or someone you wish to nominate, supports your/their co-workers to make the workplace and community a better place. Please include the funniest clean joke you know. Bob was a funny guy.
