

END PERIOD POVERTY

COLLECTION DRIVE

Period Poverty:

The struggle faced by low income women and girls who cannot afford the cost of menstrual products.

**Menstrual
hygiene is a
human right, not
a privilege.**

Did you know that 1 in 3 Canadian women have sacrificed something else to buy period products?
You can be part of the solution.

Our workplace is collecting donations of new, unopened period products until March 24. Donations will be distributed across Saskatchewan to people in need.
