

2019 ANNUAL DAY OF MOURNING CEREMONY

April 28th is recognized by the labour movement across Canada as the day when we mourn victims of workplace accidents or disease and remember their sacrifice. It is also a time for the renewal of our pledge to rededicate ourselves to the goal of making our workplaces safer. We must continue to urge governments to improve health and safety standards and workers' compensation benefits in the workplace.

The Saskatoon and District Labour Council would like to invite you to attend a commemorative service at the Masonic Temple at 1021 Saskatchewan Crescent West. The Ceremony will be held on April 28, 2019 starting at 2:00 p.m. The service will be followed by coffee.

We would also encourage all local unions and any individuals, who wish to place a wreath dedicated to workers who are injured, disabled or killed on the job, to join us on this special day. If you would like to present a commemorative to your fellow workers, please register at the Masonic Temple prior to the Ceremony.

We would like to extend this invitation to any employers that may be interested. If yours is one, please see that they receive a copy of this letter.

Thank you for your attention to this important matter. We hope to see you at the service.

In solidarity,
SASKATOON AND DISTRICT LABOUR COUNCIL
