

SHOOTERS FISHERS and FARMERS Party

I have 20 years' experience in the firearms industry. I've participated in all forms of firearms sports along with being a hunter both for sport and feral animal control.

I'm passionate about the outdoors and I believe in full access to National Parks and State forests so we can truly embrace the outdoors, instead of looking at it from a screen.

I've put my hand up to run as a candidate for the SFF because I believe in freedom. I'm constantly seeing the erosion of our civil rights as government continues to impinge on our personal freedoms.

I believe it is important to stand up and fight for what we believe, and I see unnecessary government interference in our daily lives.

I stand up for our rights to hunt, fish and farm and will protect our freedoms if elected to Parliament.

I would like to see money spent efficiently and effectively in Tamworth, so we see real outcomes not just in health but across all infrastructure.

Our regions have been left behind for far too long.
