

SHOOTERS FISHERS and FARMERS Party

I live and work as a miner in the electorate and have been a volunteer in Mines Rescues for the last three and half years.

Despite being a miner, I recognise the need for mining and farming to find a compromise in the Upper Hunter.

Both mining and farming are working towards a common goal; to provide resources, employment, and a strong economy for the Hunter.

I had to leave where I grew up to make a life for myself. If you grow up in the Hunter, you should be able to stay in the Hunter.

I've put my hand up because we need young people having a go in Parliament and the greater community.
