Re: Supporting You

Dear Honorable Al Green,

March 13, 2025

My name is Dennis Ready. I am the Democratic County Chair in San Jacinto County.

I want you to know we support your protest at President Trump's speech. Any time you protest it makes a lot of people uncomfortable. That is the goal of a protest to make everyone feel a little pain and you were perfect in your protest. I really appreciated how you owned your actions and the respect you showed the people who escorted you out.

You are a real representative of the people, and I am proud to know you and support you.

Please find copies of the letters I sent standing up for you and suggesting others follow your leadership. We have your back, we are here and we are strong.

Respectfully Submitted,

Dennis Ready
