

Virginia Morck for SLF Council

I'm sorry not to submit a formal Manifesto. I have just returned from holiday with a bad bout of Covid and I am pretty incapacitated.

However, I want to say that I already do a lot of work for the SLF, including organising and managing all our fringe meetings at Party Conferences. That's been online for the last few years and it has been interesting to get back to the extra organisation that is needed for the face-to-face event in Brighton this year. I'm one of the people who do the behind-the-scenes work that enables SLF to deliver on our principles.

I also help with other events including the SLF Conference and I would welcome the opportunity to have a say in the Council's decisions.

I should add that I am a long-term supporter of the SLF and its principles and a strong Social Liberal.
