

# 2023 Organizational Membership

## Yes, we'll rejoin Social Planning Toronto today!

By renewing our Social Planning Toronto Organizational Membership, we will help inform and engage individuals and organizations in communities across our city. We support SPT in its role to advocate for fairer public policies and to conduct research, share information, and mobilize residents and community leaders to improve equity, inclusivity, and quality of life in our city.

I understand that our Organizational Membership entitles my organization to notice of and one vote at Member meetings and at the Annual General Meeting. We will also receive updates about SPT's work.
